

GATEWAY FEATURE

Inter-Merchant Transfers

DISTRIBUTE FUNDS COLLECTED BY A LEAGUE BETWEEN TWO OR MORE ACCOUNTS USING A SIMPLE API CALL.

THE NEED

Recognizing that over 50 of the National Sport Organizations in Canada collect membership fees, this feature was designed to add automation to the collection and reconciliation of those fees without leaving the registration platform.

- Customer only needs to pay once
- No reconciliation needed
- Unlimited accounts can be assigned to a Transfer Group
- Transfers can be tagged with an invoice number for reporting

USE TO COLLECT YOUR PLATFORM FEES

HOW IT WORKS

- 1 Create Transfer Group
- 2 Add Sending and Receiving Terminal ID's and the amounts
- 3 Send Request
