

## SportsPay is designed for amateur sports

At SportsPay, we understand the unique needs of amateur sports organizations and their members. Our seamless payment solutions are designed to simplify transactions, reduce administrative burdens, and provide the support you need to keep your organization running smoothly.

### Why Choose Sportspay?

#### EASY APPLICATION & ONBOARDING

- Simple, online application process with digital signatures.
- No need to submit Articles of Incorporation, signor's Social Insurance Number, or driver's license.
- Designed with leagues in mind, ensuring a smooth and stress-free approval process.

#### ON-TIME FUNDING

- Secure processing with fraud protection that doesn't disrupt your cash flow.
- Any flagged transactions are isolated without delaying the rest of your batch deposits.

#### RELIABLE CUSTOMER SUPPORT

- No waiting on hold or navigating through automated menus.
- Our Canadian-based team understands your payment setup and provides real, personalized support.

#### SCALABILITY & FLEXIBILITY

- Accept payments online and in-person with our flexible payment solutions, including physical terminal rentals.
- Easily manage and filter transaction reports for better financial oversight.

## More reasons to choose Sportspay...

### 100% DEPOSIT COLLECTION

- Get your full registration or transaction amount - SportsPay does not deduct fees from your deposits.
- Perfect for smaller leagues that rely on receiving full upfront payments.

### EASY ACCOUNT UPDATES

- Simple access to account information.
- Hassle-free name changes and updates to accommodate board member transitions.

### DESIGNED FOR VOLUNTEERS & LEAGUE ADMINISTRATORS

- No technical expertise needed: Easy-to-use tools let volunteers manage payments without special training.
- Smooth board transitions: Updating account details for new administrators is quick and effortless.
- Full visibility & control: Organizations can see exactly where every dollar goes, helping with budgeting and reconciliation.

### INTUITIVE FEATURES

- Straightforward online reporting with clickable fields for easy transaction tracking.
- Built-in tooltips and help articles provide instant answers to common questions.

### LATEST FEATURES BUILT FOR YOU

- Our product roadmap is designed with your needs in mind.
- We focus exclusively on amateur sports organizations, ensuring every feature we release benefits you and your members.
- Exclusive tools like PayMes and Payment Requests make collecting payments for events, tournaments, and fees effortless.

## Seamless integration into your registration platform
